

The Hunters Haunt: Omar Book 2

Omar often gets into trouble as a result of his role as the worlds greatest storyteller. The wrong tale at the wrong time told to the wrong audience can prove fatal. A slighted innkeeper threatens to kill Omar by tossing him out into the vicious storm that rages just outside the door of the inn. But this time, for a change, Omar also has the chance to redeem himself by using his gift. If Omar can top the most outrageous tales invented by the inns guests, he may get away with his neck intact. Omar not only tells a series of tales that would astonish the most gifted bard, but corrects the errors of the otherss and weaves them all together into one absolutely compelling tale of adventure.
