

End Credits (The Pankhearst Singles Club Book 2)

Im in love with Naomi Wong from Hong Kong. When Naomi flies back home for her sisters wedding, Tim realizes how much his best friend means to him. Which leads to some tricky questions. Could she possibly feel the same? Should he go out there and tell her how he feels? And what the hell is up with all these dreams? Magical realism for Valentines Day, END CREDITS is the second release in the Pankhearst Singles Club. Small, but perfectly formed.
