

## SUI GENERIS - south divide

The Sui Generis are a race like any other, and yet they are unique in their own minds. Sure they are strong, and smart, and capable. But they are relatively few in number. So what happens when they decide to spread their wings? How can they grow overnight and remove themselves from that grey cloud of servitude, and rise up to take power? One man, Sherkeck Sau, thinks he has the answer to this most improbable of questions. It is an answer he shares without thought, and one he is almost certain to regret.
