

It Will Be Ok, I Promise

Herb and I were together for about four months when one day in November of 1979 he looked at me and said, a?I think I am falling in love with you.a? I was already in love with Herb. On October 9, 1981, we were married. Herb and I were not only husband and wife, we were best friends. We did everything together. We went everywhere together. Twenty-seven years and a few months after we fell madly in love, Herb got sick. Oh, Dear God, itas cancer. Herb is my life. How am I going to live without you, Herb? He held me and said, a?It will be ok, I promise.a? Herb was right; itas ok. I hope this book helps those who have to deal with cancer to know that someday, with God watching over us, it will be ok, I promise.
