

Legends of Marithia: Book 1 - Prophecies Awakening (Uncut and Extended 2014 Edition)

When her sorceress mother and vampire king father are brutally murdered, Kassina makes a pact with Shindar, the Demon of Darkness. In exchange for her soul, Kassina obtains power to become the most feared sorceress in all the lands, and vows to exact her revenge on the people for the deaths of her parents. Granted eternal life, Kassina and her evil are never far away. For many years, the humans and elves of the mystical world of Marithia have lived in an age of peace. But that peace is shattered when King Arman is slain by his own son, a pawn of the vampire sorceress Kassina. Arman's murder sparks the most brutal and bloody war ever seen between the Forces of Darkness and the peaceful Marithians. In the midst of the conflict, Vartan, a young knight wrongfully outcast from King Arman's court, reluctantly discovers he is the subject of a prophecy involving the fabled weapon, Talonsphere. In alliance with the legendary dragons, he finds himself with the opportunity to rid the world of Kassina and her dark armies forever, and finally return Marithia to an era of peace.
