

Lifes Response to Consciousness (Classic Reprint)

Excerpt from Lifes Response to ConsciousnessThe object of the following pages is to give a reasonable explanation of some of the problems of life, and to explain how, by an understanding of the law that underlies response to both vibration and to consciousness, we may more intelligently cope with conditions.Philosophy and religion have revealed to both Occident and Orient the omnipresent life and knowledge, with the power to express itself in a material universe, but it has been left to science to explain how a mental attitude can produce a material phenomenon.About the PublisherForgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.comThis book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
