

LIVING Forward: New Rules

This book will help you change your life! When you understand that all you have to do is change how you see everything in your world, your world changes! LIVING Forward: New Rules is written by the author of several self-help books, including her best selling The Art Of Giving A F@#k, that have been improving peoples lives day-in and day-out for years! Much of whats inside are specific motivational tasks she gives those she mentors and counsels daily! If you are ready to: get over that hump, get out of the rut you are in, get past those mental block walls youve built to protect yourself from the world, then you need this book. You can read it straight through or use it like a flip book to answer your how do I get a better life question each and every day. This is one of those books that rarely comes along that you will buy multiple copies of for your friends and family!
