

## Malhai (The Darad Series Book 6)

Magic has been misused and it threatens the life of Estiel Olnarin. But more than that, it threatens the existence of the Diyadin Arjun. Estiel and his brother make the perilous journey to Larmyer to confront Malhai, braving increasingly dangerous magic resurrected by Malhais working, seeing their companions on the journey die or disappear. And some of those companions are stranger than any man on Zareath should know - the Diyadin themselves. They are so few that the death of one of them at the hands of a novice wielding half-baked spells must be prevented. The brothers travel with unearthly companions. They endure hostile magic, they struggle on through nightmare, in a race to reach Malhai before Estiels accelerated ageing ends in death both for him and for Arjun. And finally they encounter the strangest and most dangerous magic of all.
