

Mekanstan: An Okal Rel Universe Legacy Novella

Whats a girl to do when the man of her dreams comes from a culture where multiple lovers are acceptable? For Ann, the question is complicated by the need to track down rebels pedaling Reetion technology in the Gelack universe. Ann must enlist the help of the other woman, Perry DAur. Amel, the guy in the middle of the cross-cultural misunderstanding, ends up a hostage of the Gelacks in possession of the technology Ann is tracking down. Who will win the battle for Amel and who will win the battle for the weapons...
