

MICHAELS ARMY: THE SECOND WAVE

The second wave of ascension begins. The lost cities of Earth must return for the sleepers who have awakened at this time need to return to their rightful place, to the cities that were so cruelly taken from them, Heliopolis and ancient Jericho just two of several that will return. The Seeker and her companions go in search of the Messenger for he has led many to the dark path, but they are stopped in the nick of time by Gabriel, an Enlighten One who tells of seven new travelling companions that are now on their way to meet with them, sleepers that are more aware, but there is one within their midst with treachery on her mind, seeking out an Enlighten One, for she worships another, the Darkest of all the Sentinels that only now comes into the game, proclaiming he is God and that Earth is his domain.
