

Mischief - a scarf to knit

Mischief is the collective name for a group of rats, which is very apt! This versatile scarf pattern features an embossed design of adorable rodents, along with a pretty openwork border (have those ratties been nibbling holes?) and can be knitted in any yarn, to any length or width. Why not try one pattern repeat for a long, wavy, skinny scarf, or cast on many to make a wrap fit for the pied piper. Worked from the centre out using a provisional cast-on. Optional bead eyes can be added in every repeat or just on the border, or replaced with bobbles or stitched-on buttons. Materials: Any yarn, plus needle to suit yarn. Model scarf (3 pattern repeats wide) used 240m of aran-weight yarn and a size 10(US) needle, and measures 120x25cm Needles 1-2 sizes larger for bind-off rows. Scrap yarn for provisional cast-on. Beads or buttons for eyes.
