

Seizing Opportunities That Propel You Forward

Dont Let the Past Hold You Back One Second Longer Get the most out of life, no matter what has led up to your current position. Smart, savvy, and easy-to-follow, Seizing Opportunities That Propel You Forward guarantees to highlight the good in your life and kicks cant-do attitudes to the curb. Its all about learning to capitalize on the big breaks we encounter every day - but simply fail to recognize. Youll learn to: Stop focusing on past disappointments and focus on the positive and future opportunities Accept, adapt, and thrive in the midst of change Put your best ideas to work to improve your health and wealth Reduce your stress level while feeling better about yourself and your prospects Understand, appreciate, and act upon legitimate criticism without letting it take over your life Master the secrets of building effective, lasting relationships in business and your personal life Packed with real-life inspirational stories, Seizing Opportunities can really, truly change your life for the better. I found Charlette Denise Suttons book motivating, inspiring, and full of wisdom... - Irene S. Roth, MA., Freelance Author and Writer for Teens and Tweens ...working as a registered nurse, Sutton sees more of the tragic side of life and that of lost opportunities than the average person, providing a broader framework to give advice from. - Karen Cioffi, Author & Editor It resonates with a lot in my life, and in what Ive observed in others... - Walter L. Kleine, Editor
