

## Rise of the Giants: The Guild of Deacons (Volume 1)

In life, Captain Dean Robinson was a soldier. Upon his untimely death at the hand of a fallen angel with a serious superiority complex, he became something else a Deacon. As the last of forty-nine men blessed and cursed with the power of Gods wrath, he was not quite human and not quite angel. Bestowed with an immeasurable power entrusted to man by God himself for hed long ago lost confidence in angels to do his bidding, Dean finds himself at the very pinnacle of a millennia old battle raging in the shadows of the Earth and the Heavens. A timeless war to maintain the Balance between mankind and the bastard offspring of heaven the nephilim. A harrowing collection of cursed beings resulting from the blasphemous breeding of fallen angels and humans. An ancient race of giants and other creatures of unnatural persuasion that nearly devoured the human race. Literally. With his newfound crew of supernatural sidekicks, Dean embarks on an epic mission to thwart the rise of the new generation of unnatural beasts and save the Earth from certain apocalyptic demise. There is an evil in the world of man. Conversely, there are those that maintain the Balance.
