

THE ITALIAN DOCTORS MISTRESS (Harlequin comics)

Danielle hastily makes for the resort town of Galanio after an accident in the Alps leaves her father in a coma. There, she meets the charismatic Italian doctor Carlo Rossi. She is exhausted from staying vigilantly by her fathers bedside, and Carlos kind words and gentle compassion soothe Danielles forlorn heart, arousing warm feelings of affection for him. However, Danielle realizes there is no room in Carlos heart for her, as it still belongs to his late wife, Karina, even now. But when Danielle injures herself after saving Carlos only daughter, he invites her to stay with them at their lakeside mansion, thus beginning their peculiar temporary cohabitation.
