Shes smart; shes sexy; shes a superhero!! World War Two had ended, and the superheroines were once again protecting the home front from criminals - it was still the Golden Age of comics, and Phantom Lady thrilled young minds (especially the young male minds) with her adventures. Now you can again enjoy - or, for the first time - the colorful and exciting stories, not seen in print for decades! Be sure to check out the complete line of full-color comic reprints from UP History and Hobby! The comic reprints from Golden Age Reprints and UP History and Hobby are reproduced from actual classic comics, and sometimes reflect the imperfection of books that are decades old.
