

Intercessor: Encounters In Evolution

Solomon Antestes always tried to do some good for others. He seemed to be drawn to it. So it is that he travels the dark alleys of his home town, seeking to help those less fortunate. All of that changed one night when he was early and saw someone before he was ready. This launched him into a series of new encounters that would change his world forever. He would discover that he was capable of much more than he had imagined, and he would encounter a guiding force that he didnt expect.
