

Forgiving Zander (Survival Trilogy Book 2)

But Zander found a cure, Kittys voice replied, a squeak in the void. A snort sounded. Zanders never coming back. He only cares about himself. He wont be back for us. An angry pause. Shes going to die & become one of them. Well have to kill her. Then what was the point in saving me, I murmured, weakly opening my eyes. ---- Hunted. Haunted. Heartbroken. Far from improving, Cadence Laurences problems have only gotten worse with the uncrowned queen of the Wastelanders out for her blood. Literally. Trapped in a prison of her own making, with two wards that she has only lied to, & plagued by the ghost of her ex-lover, it seems like Cadence will never escape. Supplies are dwindling & so is her health. How long will it take for Alex & Kitty to uncover the truth & see the blood on her hands? Not to mention the blood she has yet to spill Book two of the Survival Trilogy.
