

Rhythm Master / Flute (Book 1)

RHYTHM MASTER the Band Method that Teaches Music Reading has been thoroughly tested by over 6,000 students in 44 pilot schools. Heres what directors are saying: RHYTHM MASTER is terrific! Students enjoy the many part songs and learn to be literate, independent players as a result. Attention is given in depth to dotted rhythms, cut-time, compound meters, as well as special range, tone, and vibrato studies. This book is thorough! Cindy Bulloch, Odessa, Texas RHYTHM MASTER promotes basic fundamentals of tone, rhythm, embouchure, and articulation simultaneously. It also addresses technical facility to a greater degree than other method books. It just pulls everything together at the same time. Clyde Wilson, Midland, Texas. B497FL
