

The Dark Divide (Rift Runners Trilogy) (Volume 2)

IF YOUR DESTINY WAS TO KILL, WOULD YOU KILL TO CHANGE IT? Time is running out for The Undivided Ronan and his psychically-linked twin brother are trapped ... Darragh in 2001 Dublin and Ronan in a reality where the Undivided are not Druids, but Shinto warriors. They have two weeks to find their way home ... not only do they want to live, but they need to break the curse on Trasa and somehow rescue Hayley from the Faerie Lords seductive embrace. With Darragh caught in an alternate reality without magic, and Ronan stranded in one with plenty of magic but no idea how to use it, the brothers must prove that even across alternate realities, they truly are the Undivided. --- This is the long awaited urban fantasy from best-selling fantasy author, J J Fallon. Step into a fantasy world of alternate realities, Druids and druidry, magic and Celtic mythology, where Faerie lords and leprechaun come to life in an edge-of-the-seat action adventure that you wont be able to put down.
