

Safe Money in Tough Times: Everything You Need to Know to Survive the Financial Crisis

Consumers looking to protect their financial future in today's turbulent economy will find all the right advice in *Safe Money in Tough Times*. Well-known for conveying sophisticated insight in simple and engaging terms, Jonathan Pond explains how readers can take control of their financial lives, overcome any money problems, and develop an all-weather portfolio to last a lifetime. Pond addresses such issues as avoiding home foreclosure, investing in turbulent markets, and coping with loss of income. Audiences will not only weather the storm but also put themselves in a position to thrive when the economy bounces back. This will be the go-to resource for individuals and families who are struggling through the Great Recession.
