

## Chicks Kick Butt (The Shifters)

Chicks are awesome--and never more so than when they are kicking some serious vampire/werewolf/demon/monster butt. Chicks Kick Butt is an anthology that features one of the best things about the urban fantasy genre: strong, independent, and intelligent heroines who are quite capable of solving their own problems and slaying their own dragons (or demons, as the case may be). Edited by Kerrie Hughes and Rachel Caine, Chicks Kick Butt features original stories from thirteen authors, eleven of whom are New York Times bestsellers:- Rachel Caine (with a story from her bestselling Weather Wardens universe)- L.A. Banks- Rachel Vincent- Karen Chance- Lilith Saintcrow- Cheyenne McCray- Susan Krinard- Jeanne Stein- Jenna Black- Susan Krinard- Jeanne Stein- Jenna Black- Elizabeth Vaughan- Carole Nelson Douglas- P.N.
