

## Silver Eclipse (Ordo Lux lucis)

Ordo Lux lucis, the Holy order of Knights of the Roman Catholic Church, created to fight evil and protect the mortal world. Its youngest member, Ser Nicholas Carrol, wielder of the sword fidelitas, is assigned to his home state of Missouri, one of the largest centers of paranormal activity in the continental U.S. Nick Carrol believed that he was investigating yet another simple cult that sprung up in Southern Missouri. Little did he know that his investigation would lead him on a trail of demon worshipers, drug dealing faeries, half-goat monsters, goblin armies, and a rebel Queen trying to build herself a new Kingdom. With the help of his Witch girlfriend and his former Knight-turned-priest mentor, Nick must unravel a conspiracy that leads him from Southern Missouri all the way to the mysterious faerie lands of Underhill. But why are two cults hundreds of miles apart working together, and who is the mysterious shadow man trying to thwart Nicks investigation?
