

## Sloan: Outback Exodus Book 5 (Volume 5)

Sloan is who we may all become given the same circumstances. One day you are a Sergeant in the Australian Army, the next you are on a trail of vengeance. The catastrophic events of 1 January 2013 bring the end to the world Sloan knows. The base is destroyed, many of his fellow soldiers are killed or injured, the world outside of the base is also no longer as it was. Sloan returns to his home, his wife and Mother. What he finds when he enters his half destroyed home sends Sloan on a journey of revenge. Sloans determination, abilities and his mind are tested by the sequence of events. Take the journey up and down the East Coast of Australia with Sloan.
