

Dantes Journey

A flash of light and Detective Joe Dante steps through. No longer on the cobblestone streets of 1961 Boston, Joe finds himself in a horrifying new world-Hell itself. Joe was in hot pursuit of his familys killer, drug lord Filippo Argenti, when both were killed, and isnt about to let a little thing like death slow him down. So, with a healthy dose of New England stubbornness and the help of a mysterious guide, Virgil DiMini, Joe must evade angry demons, and search ever-lower through the rings of the original Dantes Inferno in hopes of finding justice for his wife and children. However, Joe will soon discover that behind every sin lies a secret and each secret revealed could land Joe in an eternity of hot water... VERY hot.
