

The Assassin Princess (The Legacy Novels) (Volume 1)

She paints a bleeding meadow, a burning sunset over a valley of unicorns... ..But when Ami is stolen from her world, pursued by the dark and powerful Adam, saved by the hooded Hero, she finds out she is no mere girl. Deep within her is a dormant magic with the strength to lead a people and save a land. She is the heir to Legacy, a mountain city in the far off Etorus Mountains, and Hero of the Guard is to lead her there, revealing secrets and unravelling histories along the way; but always in the shadow is her dark foe, biding his time. Soon Amis will is tested against him, and in the battle a darkness unfolds that leaves the fate of the world hanging in the balance. Will Ami choose the light, or be tempted by the darker path of death, destruction and the seductive power of Adam? An adventure of magic, unicorns, swords and dark forests. The Assassin Princess begins.
