

## The Break

Its Wednesday the 7th March 2018 in the mainland UK. Everywhere else, its June 1065. No one knows what caused The Break eleven months ago, but theres no sign of its end. England is settling into its new future a reindustrialising concentration camp. The rest of the world is watching waiting... curious... **REVIEWS OF OTHER BOOKS BY RICHARD BLAKE** Fascinating to read, very well written, an intriguing plot and I enjoyed it very much. (Derek Jacobi, star of I Claudius and Gladiator) Vivid characters, devious plotting and buckets of gore are enhanced by his unfamiliar choice of period. Nasty, fun and educational. (The Daily Telegraph) He knows how to deliver a fast-paced story and his grasp of the period is impressively detailed. (The Mail on Sunday) A rollicking and raunchy read . . . Anyone who enjoys their history with large dollops of action, sex, intrigue and, above all, fun will absolutely love this novel. (Historical Novels) As always, [his] plotting is as brilliantly devious as the mind of his sardonic and very earthy hero. This is a story of villainy that reels you in from its prosaic opening through a series of death-defying thrills and spills. (The Lancashire Evening Post) It would be hard to over-praise this extraordinary series, a near-perfect blend of historical detail and atmosphere with the plot of a conspiracy thriller, vivid characters, high philosophy and vulgar comedy. (The Morning Star) Jennifer thinks her family survived The Hunger because of their smuggling business tampons and paracetamol to France, silver back to England. Little does she know what game her father was really playing, as she recrosses the Channel from an Impromptu mission of her own. Little can she know how her life has already been torn apart. Who has taken Jennifers parents? Where are they? What is the Home Secretary up to with the Americans? Why is she so desperate to lay hands on

Michael? Will Jesus Christ return to Earth above Oxford Circus? When will the Doomsday Project go live? Can the Byzantine Empire and the Catholic Church take on the British State, and win? All will be answered if Jennifer can stay alive in a post-apocalyptic London terrorised by cannibals, by thugs in uniform, and by motorbike gangs of Islamic suicide bombers.
