

A Cavalier King Charles Spaniels Tale - The Ultimate Guide for Dumb Dog Parents (Dog Breed Information Book 1)

This is not your ordinary run of the mill dog care and training book. I am a Cavalier King Charles Spaniel and I am telling you how it is for me. In my book I will teach you:1. Where I came from.2. How to find me.3. How to feed and care for me.4. How to train me to be good.5. Things I should never eat....and lots more.Because I know you might be a bit dumb I make it pretty easy for you to follow and put in funny bits here and there. After all, I am a Cavalier King Charles Spaniel and we do have a good sense of humour. My friends have enjoyed my book, I hope you do too.
