

The Chaos

Alejandro Ramos and his son Charlie are two of the last remaining survivors of The Chaos, an apocalyptic event which brought about the end of civilization. Wandering through the ruins of Northern Pennsylvania, they hope to find refuge in the company of other survivors. Their effort seems futile until Alejandro's radio finds the voice of a man offering food and shelter to anyone alive. Everything depends on them making it to the given location...and staying out of sight of the creatures that rule when the sun goes down.
