

## Wraithful Ambitions (The Wraith Fontaine Series Book 1)

On the sub-tropical island of Virgo, Wraith Fontaine battles to win the hand of the woman he loves and finally seek revenge on those who tried to destroy his family. Facing dangers both great and small, Wraith finds himself caught between the machinations of the all-powerful trade families and the dreaded Milano clan, arch nemesis of the Fontaine family and murderers to boot. Time is short as Wraith must overcome the rules of his society, defeat those who oppose him and convince his lovers family to a match, else lose everything to those he hates the most. Love is driving him on... Ambition is keeping him alive.
