

The Guardian of the Game

Captain Paul Yates undertakes a fateful rescue attempt when a time-bending Spatial Anomaly ensnares a fellow pilot. But Paul's mission ends with a disastrous misstep, igniting a shocking scandal that terminates his team's alliance with the powerful alien Guardians. Reeling from the loss of Paul's leadership and the Guardians' support, the elusive Administrative Council races against time itself in a desperate struggle to repair the skewed timeline while liberating millions of endangered colonists.
