

The Fire Master: A Fantasy Novel

Astar is a young boy with no desire or confidence to make anything of himself in life. However, the death of Astar's king causes an unexpected turn of events, especially since Astar is the only witness to the murder. Driven on by a mysterious phoenix and accompanied by a boy with a peculiar fate, Astar sets off in search of the hidden land, Vanger Main. The legendary Knights of Ecla are preparing for war there; however, the key players are still missing and it's up to Astar to hunt them down and stop their enemy once and for all. But for the all-powerful Dragonious there are few weaknesses. It seems the only way to defeat her is to become her. In this epic tale of friends and traitors, love and hate, only those with determination can win. Only those with the heart of a leader can prevail.
