

THE SUBSTITUTE MILLIONAIRE - The Million Dollar Catch 1 (Harlequin comics)

Todd is well-mannered, good with words, and an excellent kisser. Not to mention handsome and a successful businessman. Is there any woman who would decline an offer from such a man? Julie, the oldest of the three Nelson sisters, is reluctant to meet up with the man her estranged grandmother has set her up with. However, the man she meets is so charming, that she actually falls for him and shares his bed without even checking to see if Todd is actually who he claims to be!
