

## Four Lives (Darker Novels) (Volume 1)

Sarah Hallves boring day is suddenly turned upside down when she is attacked. She barely escapes, soon learning that she is not fully human and that there is more to the world than what she had known. Mel, a being who has four lives, rescues Sarah by taking her to another world. It does not take long for Sarah to realize that the world Mel had brought her to is even more dangerous and violent than anywhere back home. Sarah is not the only person being pursued. Many more people who are similar to her join together and escape to the other planet. The new worlds hostility is soon revealed, forcing Sarah and her companions to choose whether to help Mel in his quest for peace and salvation or to save themselves. Uncertainty arrives when it is revealed that Mel may not be the hero he wants them to believe he is. Follow multiple vantage points of dozens of characters as they witness cataclysmic events unfold. Four Lives ends in a wrenching cliffhanger that will leave the reader gasping in anticipation and disbelief. Filled with demons, vampires, darkers, angel humans, portals to other worlds, violence, a church, and gore, Four Lives has it all. The contents range from beings made of metal who can kill almost anything to a romance between a werewolf and a demon, and from magical orbs that cause planets to collide to emotion so powerful that it can stop time. Experience the shock, the action, the climax, and... the Beautiful.
