

The Power of Choice : A Guide to Personal and Professional Self Management

Do you want to: - Set and stick to your personal and professional goals? - Improve relationships with your partner, children, friend, boss? - Make agreements that produce desired results? - Have the final say of what happens in your life? You'll find out how in *The Power of Choice: A Guide to Personal and Professional Self-Management*. Better yet, you'll discover the secret of having complete control over all aspects of your life. And how easy that is to achieve! You'll never again need to be a victim. While reading the book, you'll discover that you really do have a choice about what happens next. A must reading for people who never want to stop growing and enjoying life to its fullest.

The Power of Choice can be applied to every facet of your life - personal and professional. What initially appears to be controversial and idealistic becomes practical - even common sense.
