

## The Psychology of Relaxation (Classic Reprint)

Case de jimson weeds dont bloom but once  
En when deys shed deys shed. En when  
yous dead, tain tjis a few monts But  
yous gwine be a long time dead. An  
American was once getting some money  
on a letter of credit in a banking office  
in Damascus and fell into conversation  
with the grave Oriental who was serving  
him, and who asked what struck him as  
the most obvious difference between  
Damascus and New York. The American,  
after a moments hesitation, replied that  
he thought life moved with more  
rapidity in New York. Yes, said the  
Oriental, you call that hustle. We  
tried that in Damascus a thousand  
years ago and found there was nothing  
in it and gave it up. The Outlook, Sept.
