

Think it. Do it!: Lessons from Visionaries Who Brought Their Ideas to Life

Many people have dreams, but only some have the courage to act upon them. Become the kind of person who overcomes obstacles, uses failure as a learning tool, and watches an idea come to fruition with this informative guide, Think It. Do It! Author Dr. Diane J. Hinds conducts fascinating interviews with some of the countrys most innovative minds to discover what, exactly, propels some people from the thinking phase to the doing phase. Readers will gain valuable insight into a wide variety of leadership issues, including: How individuals bring an idea to completion The motivation that lies behind an individuals action The methods industrious people use to move their ideas from planning to actualization The characteristics commonly found or acquired by those who are doers Through her in-depth research and years of experience, Hinds guides readers toward a better understanding of their own potential for formulating, executing, and reaping the success of an idea that has taken hold. So stop dreaming and start doing today with Think It. Do It!
