

Some Dragons Cook Their Food

In a world full of grinding complacency, Jack is beginning to feel the pressure. His thoughts muddled by impending change Jack begins preparing for something. Just what, he cannot say. After a chance meeting with a beautiful woman, Jack's feelings of upheaval are validated in unbelievable fashion when she reveals a bit of magic, and a bit more of Jack's true identity. Parallel dimensions meld in this fantastic story of the world we know and the magic within. Follow Jack into the realm where wizards war, where heroes are born, and where some dragons cook their food.
