

# The Weavers Of Saramyr: Book One of the Braided Path: Weavers of Saramyr Bk. 1

A richly textured, darkly evocative fantasy set in a beautifully realised fantasy world, the Saramyr trilogy tells the story of an empire that rules over a land being overwhelmed by evil. An evil that comes from within the empire's centre, a sect of magicians close to the throne intent on killing any child born with magical powers. But now the empress has given birth to just such a child and revolution is brewing. Akin to the works of Robin Hobb, this is a hugely involving fantasy set in a world with an enticing oriental flavour.
