

Beast Blood: Volume Two: Truer Sin (Volume 2)

Long after the great Michigan fires of 1881 have become cold ash, Gabrios fated battle finally begins. Gabrio is a Beast Blood, transforming into a wolf by the light of the moon. He has found his life-mate, Esmeralda, and together they have discovered a measure of peace, a respite from the horrors of past. Living in modern-day Michigan, they hide their identities carefully from mortals and the dangers of half-breeds. But Gabrios blood is bound to destiny. An ancient prophecy stirs the winds of fate around them, bringing signs of death and a blood moon. A Blood Taster, under oath to seek out the wicked in mortals, is now charged with doing the same among Beast Bloods-and in so doing uncovers a truer sin that walks the earth, longing to take revenge against the punishment of God and using Gabrio and Esmeralda to do so. As the couple is drawn into a war between the angelic warriors of heaven and the demons of hell, they soon realize that they are destined to play a major role in the outcome of the conflict-and that the prophecy heralds the coming of the ultimate power, known as the Hybrid. From the woods of Michigan to the emerald-green highlands of Scotland, this second volume of the Beast Blood series follows two supernatural creatures as they stand witness to an apocalyptic battle between good and evil.
