

Auriala : The Reign of The Ginger Prince: The Auriala Chronicles (The Auriala Chronicals)

With 2 heroes down, one of whom has tasted the dark magic, and another banished, the remaining heroes now have to fight a former friend. With Velma becoming mortal, Akantha and The Lamia getting closer lives will change for our heroes. An adventure with Aken and Semele into Hades offers two heroes a way home, and as Kesolts secret emerges, the death prophecy looms closer for one of the heroes and as the final battle moves closer, who will make it home?
