

The Platinum Dragon (Valdaars Fist Book 4)

Valdaars Fist. Forged by mortals. Enchanted by Drow. Wielded by a God. Lost by man. Or was it? The final chapter in this saga takes up where Ice Homme left off. Our heroes now have the required implements to raise their godsave one: Valdaars Fist, the sword of that god. But, at least they now know what they have to do to get it: slay the most powerful creature to walk the land for the past ten thousand years: Bahamut, Lord of the Dragons. This is the thrilling conclusion to Valdaars Fist saga that fans have been waiting for! Vance Pumphrey traces the evolution of his high fantasy novels from his Nuclear Engineering career in the U.S. Navynot an obvious leap. He started playing Dungeons and Dragons while in the Navy, though, and the inspiration for Dragmas Keep was born. The Platinum Dragon is the fourth book in the Valdaars Fist quartet. Retired from the Navy, Vance lives in Seattle with his wife of thirty-plus years. To find out when his next book will be released, check out VancePumphrey.com.
