

Vogue Knitting International - Spring/Summer 2007 (Eyelet Candy - The Grace Of Lace, The Easy Life - Very Easy Very Vogue, Land Ahoy - Seaworthy Styles, The Paper Chase Knits That Work)

Vogue knitting is the knitting worlds style leader and the brand that consumers turn to on a regular basis for the most inspirational patterns, chic styling and compelling techniques. Vogue is a name synonymous with fashion and style, and when it comes to knitting, nothing equals the impact of Vogue Knitting. Here is a wonderful selection of over 31 items to make for women and babies - 27 for women, 5 for babies. With the focus on color and stitch work in lightweight yarns, there is a selection of sleeveless and short sleeved tops, cardigans, long sleeved pullovers, summer dresses, a short sleeved jacket and skirt set, a lacy cover-up, and a rainbow colored cape to knit for women. There is also a pattern for a beautiful crocheted 3/4 sleeve jacket with a satin ribbon detail. For babies, there is a colorful baby jacket designed by Elizabeth Zimmerman and there are also patterns for 2 cardigans, a blanket and pillow set, and a cabled and ribbed full length onesie embellished with embroidered flowers and crocheted edges. You will find an interesting article on neckline and edging options and another on different cardigan closures such as frogs, I-cord buttonholes, and more. There is also a wonderful article about Maie Landra and Koigu yarns and another on a variety of lace stitches, perfect for the warm summer months.
