

War Machine Classic Vol. 1 (War Machine (1994-1996))

Collects War Machine (1994) #1-7. James Rhodes is War Machine, determined to right the worlds wrongs one international incident at a time! When a human-rights activist is held captive in his own African nation, War Machine teams up with Nick Fury, Cable and Deathlok to rescue him -- and theyll have to fight through the African military and even S.H.I.E.L.D. to do it! And just as Rhodney is getting his professional life put together, the assassin Deathtoll sets his sights on War Machine! Then, its War Machine and Hawkeye versus the deadly Cold Warrior!
