

Tea Cosy Knitting Pattern for West Highland Terrier (Westie) dog

This is a knitting pattern to knit your own Westie tea cosy. Highland Terriers have a broader face than their cousins the Scottie Dog and this Westie or Highland Terrier tea cosy knitting pattern is super warm too because it's knitted with double thickness wool, double knitting wool and Stylecraft Eskimo wool. The pattern is knitted on two pins and is easy to follow and is mainly worked in stocking stitch. The tea cosy fits a medium sized tea pot that covers a Teapot that holds 6 to 8 cups. This ebook is the knitting pattern only to make your own Westie tea cosy.
