

## Welcome To Zombie Zoo

Welcome To Zombie Zoo is the five episodes of Zombie Zoo, plus a bonus story. A hundred years after the first outbreak of Zomibes, humans are still looking for a cure and a reason to survive. Connor is immune to the Zombie Virus He has been around since the first outbreak. He is at Zombie Zoo, keeping an eye on the Zombies till there is a cure. **Zombie Zoo: Connors daily life** till Amber and Zack break into the zoo. Amber thinks Connor is hiding animals and looking for them. If animals have been saved, maybe there is hope for the future. **To bad** Amber has released most of the Zombies. **Zombie Zoo Episode Two:** Amber made it back to Brier Section, to bad two Zombies followed them across the river and now the only safe place is now infected. **Zombie Zoo No Rules/No Laws:** Connor begins to kill the Zombies as they escaped their cages. The rules have changed. Connor starts doing what he needs to do to survive. **Zombie Zoo A New Breed of Zombies:** Carol tries on last time to find the cure. She injects three men with what she thinks is the cure. **To bad** that they turn into a Zombie, but this time, they seem to be smarter. Think for themselves and with other Zombies. **Zombie Zoo Frozen Zombies:** Zack and Randall leave Amber and Connor and goes up to the mountains, looking for a better place to live. Little did they know that the three Zombies that were injected with the curte are following Zack and Randall. Who will survive, the humans or the Zombies. **Bonus Story: The Day of the Zombies:** Brock and Sandra just wanted a one night stand. What the two of them got, was being held up in a storm shelter for weeks, till they ran out of supplies. The two of them had to leave the shelter and discover what the new world had to offer. They find three other humans that survived and decided to go with them. They ended up hiding in a walk in freezer, as Zombies

invaded the bar. Connor had to kill his wife and two kids before they turned. He had to leave his twenty acres and his family. His wolf, Thomas and friend, Allen also buried his family and the two of them head to town. Connor killed to survived. He didnt care if they were humans or Zombies.

He went to town, gathered supplies. Connor came across a group of people who were saving Zombies. Tiegng them up and taking them to the fairgrounds, where the government would pay for them. The government said, they needed the Zombies for a cure. Allen went the the group, who wanted to save the Zombies. Connor went on his own, coming up to a building surrounded by Zombies. He stumbled upon Sandra and Brock, saving the two of them, they head toward the Zoo. To Connors suprise, Zombies were being housed there. Connor decided to stay, after Sandra and Brock turned into the Zombies dinner. It was just Connor and his wolf Thomas and the Zombies. Having no idea what the future held, he decided to secure the Zoo so he would know where the Zombies were at all times. Welcome To Zombie Zoo The virus changed the world and a hundred years later, humans are still trying to survive.
